Purplish red Malbec with fruity aromas of Cherries and ripe plum. Its contact with medium toasted American Oak produces vanilla and cacao flavors with well-integrated silky tannins. Everything you were looking for in a wine but hadn't yet figured it out. The grapes in this Cabernet Sauvignon have been sourced from our high quality vineyards in San Juan, selected from parcels with very low yield per vines which results in its deep red color. Our innovative crafting process involves 12 months of aging in American oak bourbon barrels, rendering notes of honey and chocolate. The use of medium toast barrels translates into flavors of vanilla, and roasted peppers rounding out with a long, complex finish. Best served between 60-64 degrees.

MALBEC

To pay homage to the winery's 125th anniversary, we have created Gran Medalla, a wine sourced from grapes grown in the best vineyards in Uco Valley, in Mendoza.

Of a deeply red color, this Malbec harmonizes concentrated aromas of plums, cherries and raisins with notes of toast and coconut deriving from its aging in new French oak barrels for 18 months. A wine that captures ripe fruit flavors in all their splendor, with a sweet attack and smooth yet powerful tannins that lend it an unctuous volume and a lengthy finish. Best enjoyed at 16-18 °C.

Diz-se que para um criador, a cor do gado tem valor superior quando este é identificado como um Hereford.

Para nós, Hereford Reserva simboliza a força e a riqueza das nossas terras, nas quais crescem grandiosas uvas Malbec aos pés da Cordilheira dos Andes. Os aromas e sabores concentrados de frutas vermelhas, ameixas e alcaçuz se complementam com a madeira de carvalho em um vinho de excelente estrutura, ideal para acompanhar pratos de temperados de carne e massa com molho de tomate.

JUAN DE DIOS
Navarro Correas
GRAN VINO DE CORTE
AGRELO MENDOZA ARGENTINA

Don Juan de Dios Correas was the man who began writing the history of our winery. In addition to being the one who, with his great spirit and vision, preceded a legacy spanning nine generations, Juan de Dios played an active role in the public sphere of the province of Mendoza. He was elected governor in 1824 and collaborated on the military operations of his friend General Don José de San Martín.

A wine of a deeply intense red, an attribute conferred by the predominance of Malbec (82%), and great complexity contributed by the Cabernet Sauvignon grapes (18%). Each varietal is aged separately in first and second use French oak barrels for 18 months, to be followed by 12 months of aging in the bottle.

This wine offers aromas of plums, candied cherries, truffle and blackberries. It displays excellent balance between alcohol content and acidity, good structure and soft, long-lasting tannins. Fruity and mineral on the palate, with a persistent finish.

Just like the iconic route 40 which travels the length of the country, the Las Maletas (*'the suitcases'*) collection takes in the very best of Argentina. Pack your suitcase, grab your coat and travel the length and breadth of Argentina via these flavourful wines. We hope that they inspire in you a powerful sense of wanderlust.

Las Maletas Shiraz, an intensely red-coloured wine, comes from San Juan, a province with very special climatic conditions including warm temperatures and great predominance of winds. With 9 months of oak ageing, this is a fleshy wine with aromas of liquorice and nuts, and intense blackberry flavours.

This wine has been crafted with grapes from ancient vineyards located in Mendoza's Primera Zona, a premium winemaking area, under meltwater irrigation.

Following a traditional winemaking process and minimum human intervention, this Cabernet Sauvignon has aged in fine-grained French oak barrels for 18 months.

A deep red, it offers aromas of ripe blueberries with balsamic and spicy notes of green pepper and tobacco. Its soft and ripe tannins contribute to a persistent feel on the palate.

Best enjoyed at 16-18° C (61-64.5° F).

UNÁNIME
GRAN VINO TINTO

UNÁNIME, from the Latin "Unanimis" refers to a group of people sharing the same opinions or views; being in complete harmony or accord.

This simple word summarizes this special project: When we were finishing the harvest 2005, both our Winemakers and Agronomists agreed that it was the time to start crafting a superior red blend, a "Gran VINO Tinto".

We wanted to reflect the great wines Argentina can offer when exceptional climate and passionate people come together in harmony.

a.k.a Rodolfo "OPI" Sadler
MASTER WINEMAKER

This blend is made by 60% Cabernet Sauvignon, 25% Malbec and 15% Cabernet Franc. All the grapes were grown in selected old vineyards from the Uco Valley, in Mendoza. Deep cherry-red in colour, Unánime stands out for the intensity of its fruit flavours and its aromatic complexity.

Its long ageing in French oak for 18 months shines elegant aromas of tobacco and chocolate, along with a touch of black pepper and some fleshy notes.

This wine will continue to age nicely for years to come.
